ガァー
Jeez, what the heck was up with him?
Oops!
Eh?
I am not a homo!
Hi, welcome!
Eh, Nothing!
Oh, sorry, Mr. Izawa.
We're at work ... don't act too familiar!
Oh, Marie.
Shingo!

I...
Oh, are we going to visit your parents tonight?
What is it?
Hold on a sec...
Right... That's what I think So...
Well, of course!
ZOOM
...am not gay
My bad, sorry!
That's a bad idea!
We're at work!
Ooow! What was that for?
...So , let's go to a hotel
I want to make sure of it I'm a man.
Two!
One!
Two!
One!
Two!
One!
Blue Cats

Yeah, that was really tough!
Whew! I'm tired!
Okay, that's it for today's practice
One! Two!
One! Two!
Like, it was just an accident
I'm, *like*, really sorry
OK
Rika, you should not be using male talk!
I want it done quickly as well!
I had mine removed Now I'm a woman in body and soul
Even though you've still got that "male part" attached
hehe
It's not that hard, Rika
Yeah, he did me, too
So remove it! The best one to do it is Dr Uno

Hee hee
I had mine
done in
Morocco
Right,
Mama-san?
Mama
san!
That's
not
true!
Not
becoming
a woman
might have
been better
But in
your case,
Meg
In any case,
the sooner the better
Your skin
will become so nice
You're
mean!
Oh, I'm
sorry,
hahahaha
Oh, thank
you so
much!
Sure
Please
introduce
me
to him
That doctor drinks a lot
But it's not an operation
you can get
just anywhere
I also
want it
removed
soon

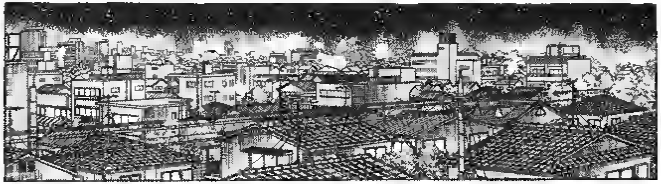
to Shingo!
When I become a woman, I'll give my virginity...
But Mama-san, doesn't Shingo like real women?
I also like him a lot
Aha, so you like Shingo!
Is that a problem?
Yes
So... you like Shingo?
Let's talk
Rika!

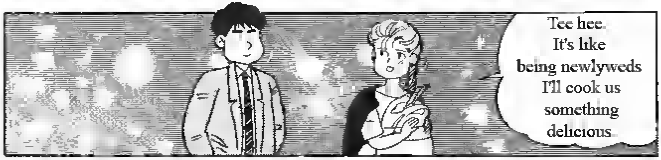
Product development
a cross-dressers' bar
Well, that's the story
(株)
We had no idea when we walked in.
Bwah!
It would not be fun!
Sure! Let's all go together — should be fun!
Hey? Such things exist?
You're a bigot!
You're being harsh, Izawa!
It's better not to go to a place like that, Mr. Takeuchi.
Izawa, do you really have no interest in this?
Ab-solutely not!
I, for one, would like to see this place!

That's because I work really hard... it's natural
Yeah, even for a guy who works in a lingerie company
That's it After all, he knows so much about women's underwear
I was just doing research
Of course, that's your hobby
Yeah, it's like you've tried them on
But you talk about their fit
That's possible, but pretty funny
You really can't take a joke
Idiot! I was just kidding
Jeez
I ALREADY SAID, YOU WERE WRONG!!!

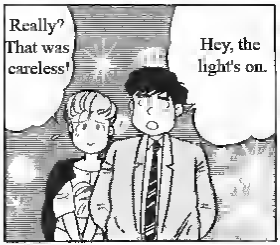
※これはフィクションです!
ガサッ
Eh?
By the way Marie did you know that men with phimosis are more likely to be gay?
Gulp!
ホーケー
Just kidding ! Do you have it?
Give it a rest, already!
Um
Haha, pretty bad
What's phimosis?
You shut up!
Really, pretending to be so innocent!

Well, for phimosis, there's a cure.
So fix it!"
Phimosis!
Yes.
That wasn't nice, was it
So, you sent Rika to Shingo's place...
Come to think of it, I don't have any money.
Instead of a hotel, let's go to your place. it'd be fun!
Yes, tonight.
So, she'll go tonight?
I just told her to cook him a meal

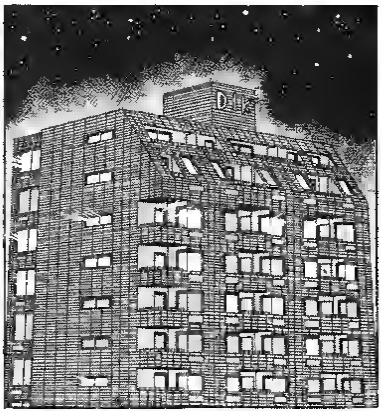




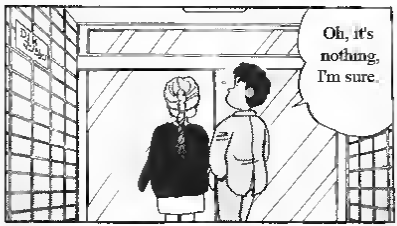
Tee hee. It's like being newlyweds. I'll cook us something delicious.



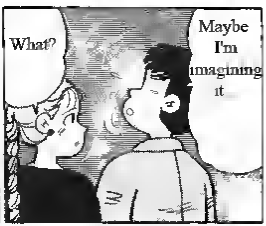
Really? That was careless!
Hey, the light's on.



Looks like there may be someone there...



Oh, it's nothing, I'm sure.



What?
Maybe I'm imagining it.

Hey?
ガチャ
ガチャ
Oh, nothing, my place is just a mess
What's wrong?
Oh! Maybe
Maybe he came by today... But why?
Huh? Then let's go together
B... but, that's it there's no beer Why don't you go get it?
That's OK, I'll clean it up for you
Sorry...
I guess that's how it is...
Ok
Ok?
I-I'll, the room, I'll clean it up in the mean time...

ガチャ
Why are you here?
Oh, welcome back I wanted to watch some TV, and I must've fallen asleep
Aha!
Hee hee Your "mother" said I should make you some supper
Why, you!
From now on, I'll drop in from time to time
That's my "father"!
Urgh!
She gave me this
No way!
Give it back!

You just don't understand Some time you'll change your mind
There's no point!
No matter how many times you come, I'll still hate cross-dressers
Get out!
I don't understand, and I'll never understand
ガタガタ
Hey, what are you doing?
Whew!
If you hate me, I have nothing left to live for!
Aaaah!
キラ
I'm going to slit my wrists

Honestly, sending a woman out shopping on her own on a night like this!
Quit it!!!
Hee hee, hut I brought wine along, anyway
When I get back, I'm going to let him have it!
Oh!
Shingo!
I'm baaack!
カチャ

Enough already!
Um, well, that is
What's going on Shingo?
Shingo
Oh!
You're wrong!
I don't even want to hear your excuse!
Hee hee
Oh, Marie!
Good-bye!
